

Why choose IIT?

- Proven successful track record from small to **Multimillion Dollar** Projects
- Master Contracts** with the **City of LA, Metropolitan Water District, Los Angeles Unified School District**
- CMAS** (California Multiple Awards Schedule) & **MSA** (Master Services Agreement) with the **State of California**
- Project Management Methodology and Tool for **On-time, On-budget** Projects
- Small Business, WBE, MBE** Certification
- Cost Benefit** of up to 40-60% with off-shore capabilities

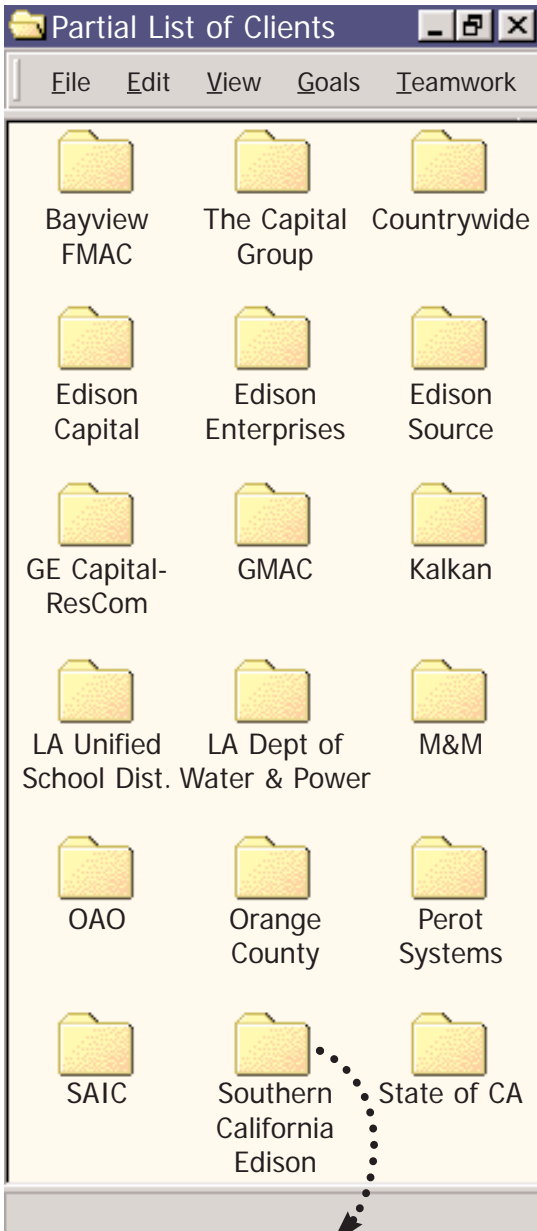

The screenshot shows a window titled "Exploring - Ingenious Information Technology" with a menu bar (File, Edit, View, Solutions, Success, Help). The main area displays a folder tree under "IIT Solutions" with the following structure:

- IIT Solutions
 - Project Management
 - Staffing
 - Temporary and Permanent
 - Training
 - on-line
 - Systems Integration
 - Telecommunications
 - Voice & Data: Fiber, Cable
 - Phone Systems, Intrusion/Fire Alarm
 - Configure, Test, QA
 - Network Engineering
 - LAN, WAN
 - Routers, Systems
 - Configure, Test, QA, Support
 - E-Business Solutions
 - Websites, Intranets, Applications
 - SDLC** (highlighted)
 - Databases & Datawarehousing
 - System Administration & Support

On the right side of the window, a list of folders is visible:

- Business Requirements
- Business Process Re-engineering
- Cost Benefit Analysis
- System Requirements
- System Design
- Development and Unit Test
- System Integration Test and QA
- Production Release and Training
- Production Support

In the foreground, a "Business Decision" dialog box is open, containing a question mark icon and the text "Improve your company's efficiency?". It has "OK" and "Cancel" buttons, with a mouse cursor pointing at the "OK" button.

"The Consultants from IIT assigned to us have been integral part of our teams. They are very dedicated, professional, knowledgeable and always consider our best interest both from technology and monetary point of views. Their work is of very high quality and they always try their best to work with our tight schedules."

-- Southern California Edison
